## AN INTRODUCTION TO THE HISTORY OF WOMEN'S SUFFRAGE

### SUSAN B. ANTHONY

WITH ELIZABETH CADY STANTON AND MATILDA JOSLYN GAGE

- A unique collection of short essays forming an introduction to the history of women's suffrage.
- Contains notes and biographical information on the authors.
- Perfect for students: an accessible set of extracts from a work of enormous importance, which, taken together, give a view of the whole.

In 1881, three writers and rights activists, Susan B. Anthony, Elizabeth Cady Stanton and Matilda Joslyn Gage, came together to publish the first volume in their groundbreaking *History of Woman Suffrage* series – a series that eventually went on to fill 5700 pages and lend weight to a movement that changed the course of history for ever.

Taking its dedication from the first volume of the *History* – to the memory of pioneering women whose 'earnest lives and fearless words... have been, in the preparation of these pages, a constant inspiration' – this volume collects together three essays that give an insight into the work as a whole, and provide a rounded introduction to the history of women's suffrage.

*'There is nothing in the annals of American reform quite like *History of Woman Suffrage*.'*

ELLEN CAROL DUBOIS

*'An indispensable source.'*

LISA TETRAULT

### ABOUT THE AUTHOR:

Susan B. Anthony (1820–1906) was a writer and activist who was pivotal in the women's suffrage movement in America. She is best remembered today for the six-volume encyclopaedia series she produced in collaboration with Elizabeth Cady Stanton, Matilda Joslyn Gage and Ida Husted Harper, *History of Woman Suffrage*, which chronicles the history of women's suffrage in the United States.
