

ENGLAND YOUR ENGLAND

GEORGE ORWELL

- The sixth title in Renard's *Orwell's Essays* series – a collection of short, beautifully produced essays on politics and literature by the renowned author of *1984* and *Animal Farm*.
- Inexpensive editions, perfect for students – all priced at just £5.
- Contains a brief biographical sketch of the author, as well as a note on the text giving information on the essay's history.

George Orwell set out 'to make political writing into an art', and to a wide extent this aim shaped the future of English literature – his descriptions of authoritarian regimes helped to form a new vocabulary that is fundamental to understanding totalitarianism. While *1984* and *Animal Farm* are amongst the most popular classic novels in the English language, this new series of Orwell's essays seeks to bring a wider selection of his writing on politics and literature to a new readership.

Fearing that England was about to be wiped from the face of the earth by the Nazi bombers flying overhead, Orwell put pen to paper and set out to make a record of English culture. *England Your England*, the sixth in the *Orwell's Essays* series, is this record, and is an important tableau of the nation's history, and demonstrates a resolute refusal to bow to the threatening forces of Fascism.

BY THE SAME AUTHOR:

'A writer who can – and must – be rediscovered with every age'

IRISH TIMES

ABOUT THE AUTHOR:

Born Eric Arthur Blair (1903–1950), George Orwell was an English journalist, writer and critic. Orwell devoted his life to working against extremism, and in his description of how authoritarian regimes pervade our thoughts, he gave us a new vocabulary to understand totalitarianism. He is best remembered today for his innumerable essays, his novels – in particular *Animal Farm* and *1984* – and his longer non-fiction, especially *The Road to Wigan Pier* and *Down Out in Paris and London*.
