

## NEW BEGINNINGS

### POETRY ANTHOLOGY

- An anthology of hopeful verse, celebrating difference and the end of the toxic aspects of the pandemic and 2020.
- Spearheaded by an international panel of acclaimed and respected authors, poets and publishers.
- A platform designed to help raise the voices of underrepresented minorities from a variety of cultures and walks of life.

*New Beginnings* is a poetry collection with a difference – resulting from an international competition seeking to find those whose voices were silenced in 2020, the resulting anthology forms a celebration of the end of the toxic aspects of 2020 and the pandemic, a glimmer of hope for the future and a manifesto for change.
