EVERY TRICK IN THE BOOK

IAIN HOOD

- Follows Hood's acclaimed debut novel, *This Good Book*.
- A cunningly woven tale that follows in the tradition of modernist writers of the twentieth century.
- A topical tale loosely based on press stories of undercover police embedded in people's lives.
- Publicity plans in place to include appearances at a range of bookshops and events.

'There's only control, control of ourselves and others. And you have to decide what part you play in that control.'

Cast your eye over the comfortable north London home of a family of high ideals, radical politics and compassionate feelings. Julia, Paul and their two daughters, Olivia and Sophie, look to a better society, one they can effect through **ORGAN:EYES**, the campaigning group they fundraise for and march with, supporting various good causes.

But is it all too good to be true? When the surface has been scratched and Paul's identity comes under the scrutiny of the press, a journey into the heart of the family begins. Who are these characters really? Are any of them the 'real' them at all? *Every Trick in the Book* is a genre-deconstructing novel that explodes the police procedural and undercover-cop story with *nouveau roman*ish glee to see what really lies beneath when the stone of our surveillance society is overturned.

Praise for *This Good Book*:

'So dark and poetic, so original and intelligent, and so utterly unput-downable.' Tim Ewins, author of *We Are Animals*

'If you like your fiction fresh, original and challenging, *This Good Book* is for you.' Simon van der Velde, author of *Backstories*

ABOUT THE AUTHOR:

Iain Hood was born in Glasgow and grew up in the seaside town of Ayr. He attended the University of Glasgow and Jordanhill College, and later worked in education in Glasgow and the west country. He attended the University of Manchester after moving to Cambridge, where he continues to live with his wife and daughter. His first novel, *This Good Book*, was published in 2021.
