THE HISTORY OF ENGLAND

JANE AUSTEN

ILLUSTRATED BY CASSANDRA AUSTEN

- A charming short work from one of the best-known writers in the English canon.
- Contains illustrations by the author's sister.
- The only standalone edition available.
- Beautifully produced, printed on premium papers, and accessibly priced.

Jane Austen, one of the nation's most beloved authors, whose face adorns our currency, surely needs no introduction, but while many are familiar with her groundbreaking novels, few have come across her short burlesque work *The History of England*.

Billed a history 'from the reign of Henry IV to Charles I by a partial, prejudiced and ignorant historian', *The History of England* pokes fun at the overly verbose and grand histories of Austen's day. Written when she was just fifteen, this is a comic tour de force that shows Austen's wit developing into the satirical prowess she is remembered for.

'The finest writer in the English language.'

PHILIPPA GREGORY

**'Praise the Lord for making her,
and her for all she made!'**

RUDYARD KIPLING

ABOUT THE AUTHOR:

Jane Austen (1775–1817) is one of the best known English novelists of all time. She is best remembered today for her novels critiquing the upper classes, in particular *Sense and Sensibility*, *Pride and Prejudice*, *Mansfield Park* and *Emma*. Like most female writers of her era, Austen published her works anonymously, and it was only after her death that her name was set to her works.
