LESLEY CASTLE

AN UNFINISHED NOVEL IN LETTERS

INTRODUCTION BY G.K. CHESTERTON

JANE AUSTEN

- A charming short work from one of the best-known writers in the English canon.
- Contains an introduction by G.K. Chesterton, which appeared alongside the first publication of the text.
- Follows the success of Renard's edition of *The History of England* and *Love and Freindship*, amongst our bestsellers.
- Beautifully produced, printed on premium papers and accessibly priced.

Jane Austen, one of the nation's most beloved authors, whose face adorns our currency, surely needs no introduction, but while many are familiar with her groundbreaking novels, few have come across her short parody of the epistolary novel, *Lesley Castle*.

Written when Austen was just sixteen, these pages are stuffed with the wit and biting satire so associated with her name, and deserves to be as well known as her later novels. This edition also contains an introduction by G.K. Chesterton, with which it was first published.

'The finest writer in the English language.'

PHILIPPA GREGORY

**'Praise the Lord for making her,
and her for all she made!'**

ABOUT THE AUTHOR:

Jane Austen (1775–1817) is one of the best known English novelists of all time. She is best remembered today for her novels critiquing the upper classes, in particular *Sense and Sensibility*, *Pride and Prejudice*, *Mansfield Park* and *Emma*. Like most female writers of her era, Austen published her works anonymously, and it was only after her death that her name was set to her works.
