DECLINE OF THE ENGLISH MURDER AND RAFFLES AND MISS BLANDISH GEORGE ORWELL

- The tenth title in Renard's *Orwell's Essays* series – a collection of short, beautifully produced essays on politics and literature by the renowned author of *1984* and *Animal Farm*.
- Inexpensive editions, perfect for students – all priced at just £5.
- A series that counts several of Renard's bestselling titles.
- Contains a brief biographical sketch of the author, as well as a note on the text giving information on the essay's history.

George Orwell set out 'to make political writing into an art', and to a wide extent this aim shaped the future of English literature – his descriptions of authoritarian regimes helped to form a new vocabulary that is fundamental to understanding totalitarianism. While *1984* and *Animal Farm* are amongst the most popular classic novels in the English language, this new series of Orwell's essays seeks to bring a wider selection of his writing on politics and literature to a new readership.

In *Decline of the English Murder*, the tenth in the *Orwell's Essays* series, Orwell considers the sorts of murders are portrayed in the media, and why exactly people like to read about them. Expounding on his findings in the accompanying essay, titled in full *The Ethics of the Detective Story from Raffles to Miss Blandish*, Orwell broadens his focus to 'true crime' and realism in fictional murders – a genre that thrives to this day.

BY THE SAME AUTHOR:

ABOUT THE AUTHOR:

Born Eric Arthur Blair (1903–1950), George Orwell was an English journalist, writer and critic. Orwell devoted his life to working against extremism, and in his description of how authoritarian regimes pervade our thoughts, he gave us a new vocabulary to understand totalitarianism. He is best remembered today for his innumerable essays, his novels – in particular *Animal Farm* and *1984* – and his longer non-fiction, especially *The Road to Wigan Pier* and *Down Out in Paris and London*.
