MY BRILLIANT CAREER

MILES FRANKLIN

- Now a major Netflix series starring Philippa Northeast and Christopher Chung.
- A timeless tale of vital importance – the novel that marked the start of Franklin's career.
- A beautifully presented edition that takes its design basis from the first edition.
- Fully annotated with helpful notes, making this an approachable and accessible edition.

*'This was life – my life – my career,
my brilliant career! I was fifteen – fifteen!'*

First published in 1901, *My Brilliant Career* is a powerful portrayal of life in turn-of-the-century rural Australia. Young, headstrong and born into a family dogged by misfortune, Sybylla Melvyn is determined to avoid the lot of young women – to escape the drudgery of farm life by finding a husband – and instead devotes herself to the arts, adamant she will one day make her way as a writer, actor, artist...

Through a series of bad business decisions Sybylla's father fritters away the family fortunes, and the hapless teen – considered a burden by her mother – is sent to live with her grandmother, where life is comparatively blissful. When a dashing neighbour makes an appearance Sybylla's nerve is tested – but Fate has one more hand to play.

'Wonderfully lively and rebellious.'

LUKE BUCKMASTER, *GUARDIAN*

**'An Australian literary milestone
and a feminist classic.'**

ADAM SWEETING, *THEARTSDESK*

ABOUT THE AUTHOR:

Stella 'Miles' Franklin (1879–1954) was an Australian writer best remembered for her portrayals of Australian life in *My Brilliant Career* and *All That Swagger*. Her legacy lives on in the Stella Prize, a literary award for writing by Australian women.
